## Statement on research ethics

This research project is being conducted by the Saskatchewan Nonprofit Partnership under the direction of Tracey Mann, and in collaboration with Dr Peter Hall (Simon Fraser University) and Dr Peter R Elson (Mount Royal University).

This initiative builds on the results of the other provincial surveys and is part of a [pan-Canadian research initiative](#). With this survey, we will be able to describe growth and trends over time, as well as a more complete picture of the sector. The information gathered from this survey will be shared with stakeholders like yourself, as well as used to better understand and promote social enterprises in Saskatchewan.

Your participation in this survey is entirely voluntary. It is assumed that you have the authority to answer the questionnaire on behalf of your social enterprise. Ideally, we would like you to answer all questions, but please feel free to decline any or all questions you would rather not answer. No risks to participating in this survey are anticipated, while the social enterprise sector broadly will benefit from the study.

Your name will be kept confidential, as will the individual answers you provide. However, we cannot guarantee the confidentiality of questionnaires submitted by email. Your answers will be combined with those provided by other respondents, and analyzed by the research team. The original questionnaires will be held in locked cabinets in our university offices until at least the end of 2017, and then destroyed. An electronic version of the data will be available only to the research team on secure computers.

The final survey report will be placed on the websites for the Saskatchewan Nonprofit Partnership and the Social Enterprises Sector Survey ([www.sess.ca](http://www.sess.ca)) and may be used in promotional and educational materials, and policy-related initiatives. We will send you an email informing you of the release of the report. We anticipate that the research will be completed by December, 2015.

If you have any questions please contact Tracey Mann at 306.780.9395 or Dr Peter Elson at 403-462-4384 or [pelson@mtroyal.ca](mailto:pelson@mtroyal.ca) or Dr Peter Hall at 778-782-6691 or [pvhall@sfu.ca](mailto:pvhall@sfu.ca). The research has been reviewed and approved by the SFU Office of Research Ethics (ORE ref 2011s0245) and the MRU Human Research Ethics Board (HREB). You may address any concerns or complaints to Dr Jeff Toward, Director, Office of Research Ethics by email at [Jtoward@sfu.ca](mailto:Jtoward@sfu.ca) or telephone at 778-782-6593. or to the Chair HREB, MRU (403)440-6494 or [hreb\\_chair@mtroyal.ca](mailto:hreb_chair@mtroyal.ca).
